

TerraTec MIDI Smart

The TerraTec MIDI SMART Keyboard is an affordable entry level keyboard that transforms your PC into a music workstation. It's convenient size means that the MIDI SMART can be used alongside your PC and save on valuable workspace.

A powerful MIDI Software (Steinberg's MusicStation *) is supplied with MIDI SMART to enable the user to record and playback up to 16 tracks of MIDI information. Each of these tracks are then fully editable using Steinberg's comprehensive range of edit pages and tools.
