

CINERGY Antenna TWO

Compact, active indoor antenna with integrated picture frame

- Reception of DTT und DAB
- Power Supply by USB or receiver
- 3 frames in different colours
- Optimized range and reception quality
- Low noise, low distortion

The Cinergy Antenna Two is a compact, active indoor antenna with integrated picture frame for DVB-T and DAB reception. Thanks to its optimized range, the Cinergy Antenna Two receives signals at exceptional quality with low noise and no distortion. The antenna is insensitive to interference from other networks. The Cinergy Antenna Two can be positioned vertically or horizontally to achieve optimum reception. The power can be supplied either through the USB connection or through the receiver's jack.

CINERGY Antenna TWO

Technical Details

Frequency range

- VHF Band I 47- 68MHz
 - VHF Band III 174- 230MHz
 - UHF Band IV and V 470- 862MHz
 - L-Band 1400- 1500MHz
-
- Noise figure < 1dB
 - Immune to interference from other signals (e.g. GSM, WLAN, ...)
 - Vertical and horizontal polarisation
-
- Power supply either by included USB socket adapter or via phantom powering from your receiver
 - Power consumption: approx. 35mA
 - IEC antenna connection (male, 75 Ohm)
 - Measurements (WxHxD): app. 100 x 180 x 20mm
 - Weight: app. 250g

Scope of delivery

Cinergy Antenna Two
USB socket power supply (5V)
Antenna cable (IEC)
3 colored frames (white, black, silver)
Quick setup guide
Replacement foil
Service card
Registration card

Art.No.: 10541
EAN Code: 4017273105413
Warranty: 24 month
